Conducting Researches - 2019

Research Proposals are invited from all interested parties to be taken into consideration to accept as research topics to be conducted during the year 2019.

Research ideas should be related to the TVET sector covering the areas;

1. Employability of students
2. Poor demand for a particular trade
3. Suitability of the skills given for students.
4. Availability of jobs for a particular trade.
5. Training of tutorial staff
6. Employee satisfaction
7. Attitudes of trainee or any other area relevant to TVET sector.

Your research ideas should be sent to Director Research and Development Division via e-mail address dtetrandd@gmail.com on or before 31/01/2019
