Statistical Handbook on Technical Education

2021 - 2022

Department of Technical Education and Training

FORWARD

Statistical Handbook on Technical Education 2021-2022 is the 25th of an annual publication which was first published in 1994. This handbook contains detailed information about location of Colleges of Technology and Technical Colleges, student admissions and enrolment, courses conducted, student performance, staff cadre, expenditure incurred etc. with regard to Technical Education. Statistics on students who have obtained National Vocational Qualifications are included in this publication under the students' performance.

I hope this publication will become useful for those who seek data in respect of Technical Education. Suggestions and comments for further improvement of future publications are welcome.

Director General,
Department of Technical Education & Training.

Vision

Become an internationally renowned, leading Technical Education & Training provider

Mission

Function as a provider of high quality internationally recognized Technical Education & Training to our valued customers nationally & internationally

Section 2 :
Intake and Enrolment

This section focuses on information on student intake and enrolment of Colleges of Technology/ Technical Colleges for years 2021 and 2022. These are analyzed college-wise, district-wise, course-wise and industry sector-wise. A year-wise comparison between years 2020, 2021 and 2022 is also included here.

Section 3 : Student Performance

This section provides information on performance of students of Colleges of Technology/ Technical Colleges. Examination results of students are analyzed against the intake of the courses conducted by the colleges. This section also includes a summarized analysis of performance of courses conducted by colleges. Results published here are only for examinations held & relevant to year 2020,2021 and issued at the time of publishing this book, subjected to change with re-scrutiny.
