

Introduction

GovPay is an online platform that provides digital payment facilities for government services in Sri Lanka. It is designed for citizens and businesses to make payments such as taxes, bills, and education fees securely and easily.

This platform is operated with the collaboration of **ICTA**, **Central Bank of Sri Lanka**, and **LankaPay**, and it helps the government to collect revenue more accurately, transparently, and efficiently. You can find more detailed information about this through the following website:

 <https://govpay.lk/>

In line with such digital transformations, the Management Information Unit (MIU) of the Department of Technical Education and Training is preparing to introduce an online payment platform for all courses that allows secure and easy payments through banks and digital wallets with an uninterrupted, user-friendly experience. This will help you make payments conveniently.

These payments can be made according to the guidelines below:

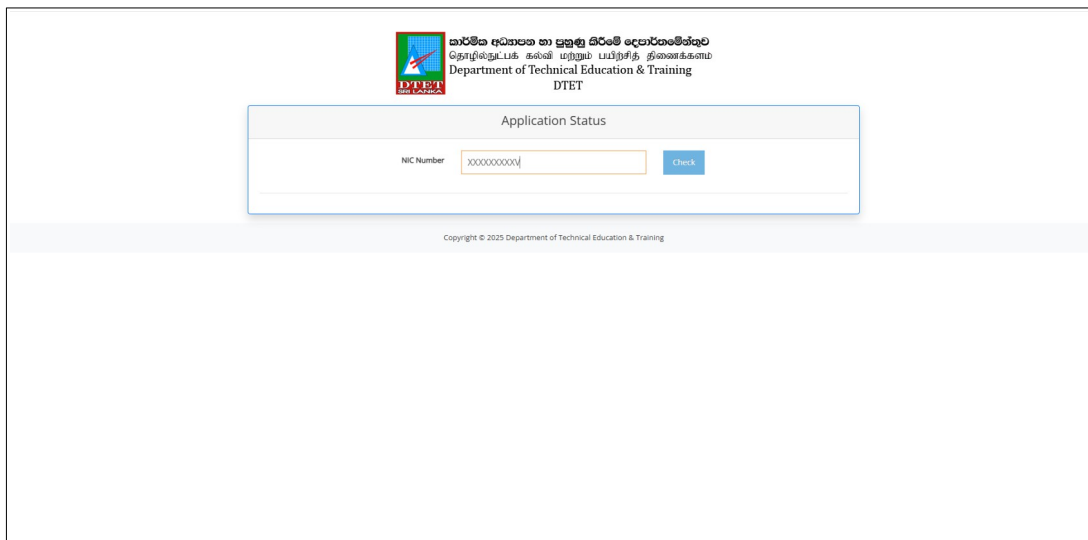

1. Accessing the System

- Open a web browser.
- Access the website by entering or clicking the following web address in the browser's address bar: <https://dtet.gov.lk>
- After accessing the website, click on the "Application Status" button on the page.

2. Making the Payment

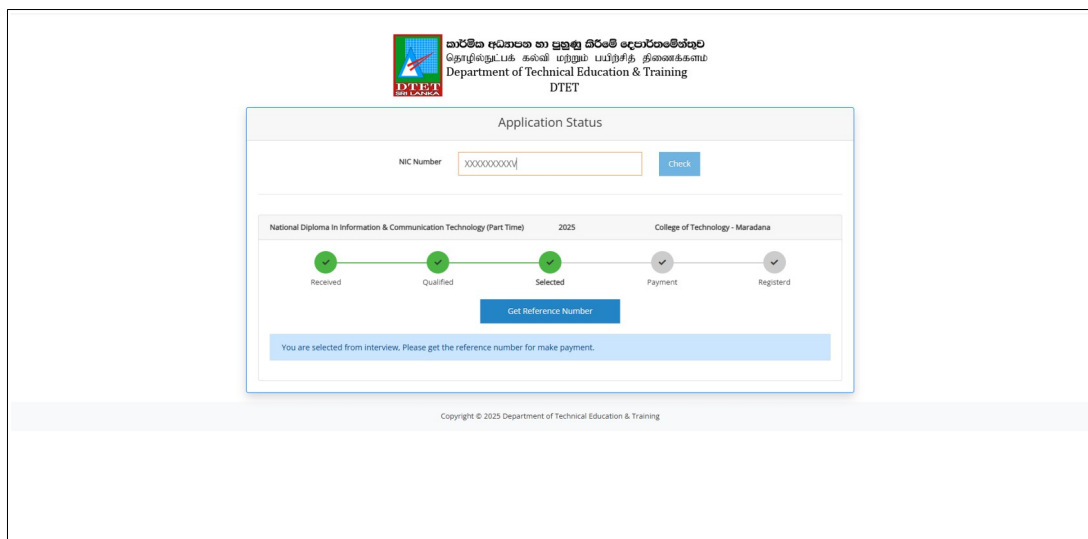

After accessing the above web page, enter your National Identity Card number “NIC” and click on the Check button.

Then a page similar to the one shown below will appear:

- ✓ **Received Status** – The online application has been entered into the system.
- ✓ **Qualified Status** – You have qualified for the interview.
- ✓ **Selected Status** – You have been selected for the course. (In this case, the relevant notification will be provided via SMS.)

Now, click on the **Get Reference Number** button.

Note – The procedure for making payments for all courses is announced annually through a gazette notification of the Democratic Socialist Republic of Sri Lanka regarding student admissions.

Now you can pay the registration and course fees using the above Reference Number through a convenient bank or financial technology partner application.

(Here, you will be notified via SMS once the fees have been successfully paid.)

3. Checking payment

The screenshot shows the DTET (Department of Technical Education & Training) Application Status page. At the top, there is a header with the DTET logo and the text 'தொழில்நுட்பக் கல்வி மற்றும் பயிற்சித் துறைக்களம்' and 'Department of Technical Education & Training DTET'. Below the header, there is a section titled 'Application Status'. It contains a form with a 'NIC Number' field (containing 'XXXXXXXXXX') and a 'Check' button. Below the form, there is a progress bar with five steps: 'Received', 'Qualified', 'Selected', 'Payment', and 'Registered'. The 'Payment' step is highlighted with a green circle and a checkmark, indicating it is the current step. Below the progress bar, there is a green button labeled 'Click for Registration'. At the bottom of the page, there is a copyright notice: 'Copyright © 2025 Department of Technical Education & Training'.

Follow steps ① and ② above again.

If the payment was successful, a webpage similar to the one shown above will appear.

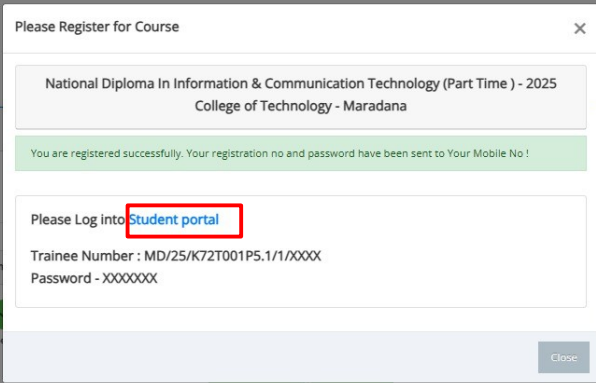

4. Course Registration

Click on the **Click to registration** button. You will be able to see a webpage similar to the one shown below.

The screenshot shows the DTET Course Registration page. A modal dialog box titled 'Please Register for Course' is open, displaying the text 'National Diploma In Information & Communication Technology (Part Time) - 2025' and 'College of Technology - Maradana'. Below the text, there is a green button labeled 'Register' which is highlighted with a red rectangle. To the right of the 'Register' button is a 'Close' button. Below the modal dialog, there is a progress bar with five steps: 'Received', 'Qualified', 'Selected', 'Payment', and 'Registered'. The 'Payment' step is highlighted with a green circle and a checkmark, indicating it is the current step. Below the progress bar, there is a green button labeled 'Click for Registration'. At the bottom of the page, there is a copyright notice: 'Copyright © 2025 Department of Technical Education & Training'.

Now click on the Register button.

If the registration is successful, your training number and password will be notified via SMS and Email.

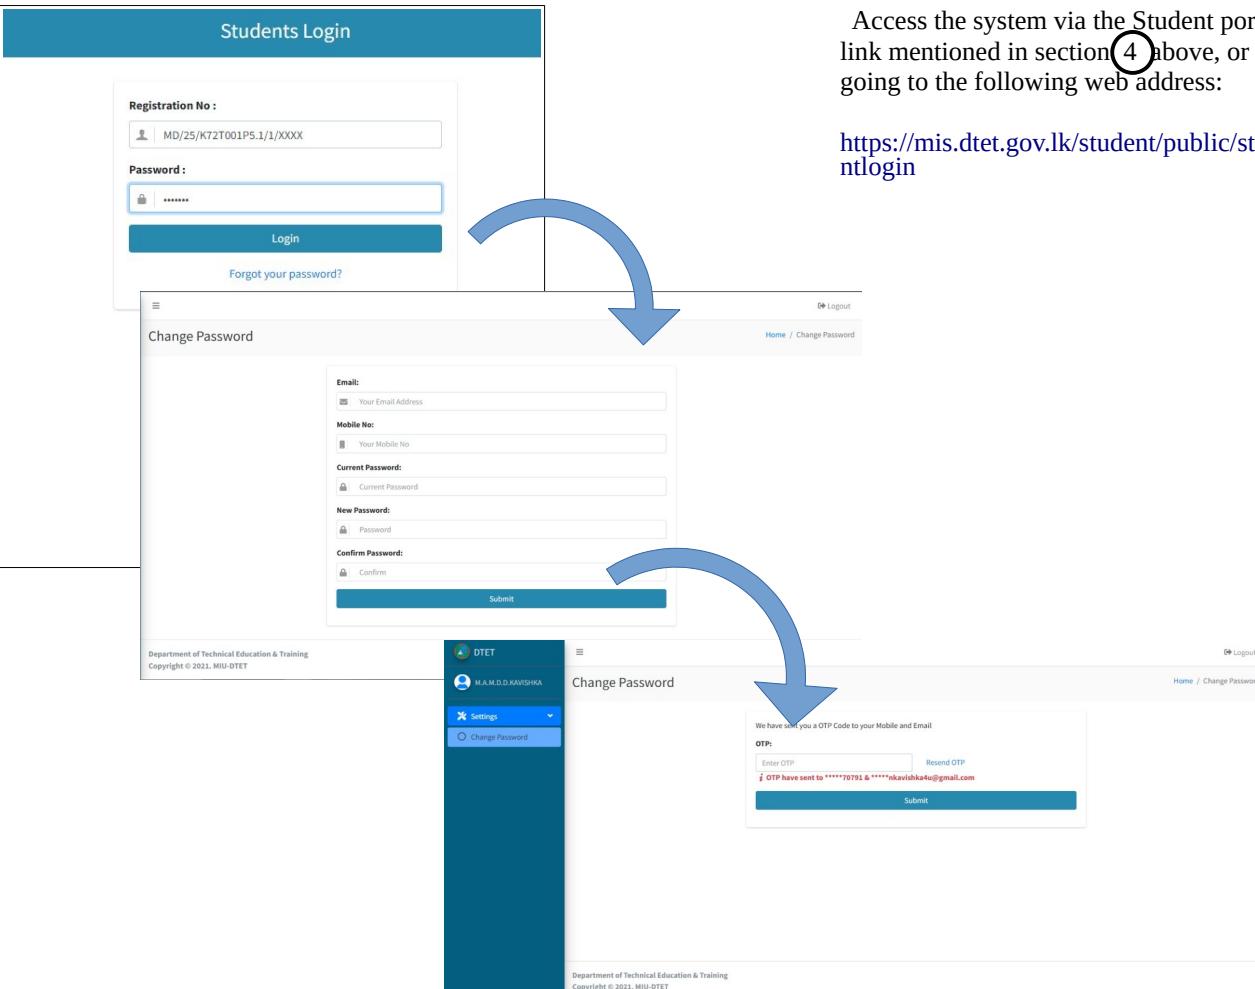

The image shows a registration confirmation dialog box titled "Please Register for Course". It contains the following text: "National Diploma In Information & Communication Technology (Part Time) - 2025", "College of Technology - Maradana", "You are registered successfully. Your registration no and password have been sent to Your Mobile No !", "Please Log into **Student portal**", "Trainee Number : MD/25/K72T001P5.1/1/XXXX", and "Password - XXXXXXX". A "Close" button is at the bottom right. Below the dialog box, a message states: "You are already completed the payment process, Please click registration for register." The footer reads: "Copyright © 2025 Department of Technical Education & Training".

Issues related to incorrect registration or payment confirmation by the system can be resolved by the Management Information Unit. (See section ⑦)

The department bears no responsibility for payments made through banks or other applications. .

5. ශිෂ්‍ය ද්වාර පිවිසුම (Student portal Login)

The image illustrates the student portal login process through three stages:

- Students Login:** A form with fields for "Registration No:" (MD/25/K72T001P5.1/1/XXXX) and "Password:" (masked with asterisks). A "Login" button and a "Forgot your password?" link are present.
- Change Password:** A form with fields for "Email:", "Mobile No:", "Current Password:", "New Password:", and "Confirm Password:". A "Submit" button is at the bottom.
- OTP Verification:** A screen showing "We have sent you a OTP Code to your Mobile and Email". It includes an "OTP:" field, a "Resend OTP" link, and a "Submit" button. A message below the field states: "OTP have sent to *****70791 & *****kavishka4u@gmail.com".

Arrows indicate the flow from the login page to the password change page, and then to the OTP verification screen. A mobile app interface is also shown, displaying the "Change Password" option in the settings menu.

Access the system via the Student portal link mentioned in section ④ above, or by going to the following web address:

<https://mis.dtet.gov.lk/student/public/studentlogin>

6. Student Enrollment

Students who wish to pay their course fees in **Installments** should follow the steps below:
Access the student portal and select "**Enrollment**" from the left-side menu.

The screenshot shows the DTET Student Portal interface. On the left, a sidebar menu contains options: Dashboard, Profile, Attendance, My Class, Assignment, Admission, **Enrollment** (highlighted with a red box), and Settings. The main content area is titled 'View Payment'. It includes a 'Payment Type' dropdown set to 'Course Fee', an 'Exam Type' dropdown set to 'Semester_01', and a 'Year' dropdown set to '2025'. Below these, a 'Payment Plan' dropdown is set to 'Installment'. A summary table shows: Full Course Fee/Semester Fee: 25000, Installments: 2, Installments/Full Payment: 12500, and Due Amount: 12500. A blue 'Submit' button is present. Below the button is a table with the following data:

No	Ref Number	Exam	Status
1	REG4108997	Semester_01	Paid

At the bottom, it says 'Department of Technical Education & Training' and 'Copyright © 2021, MIU-DTET'.

1. Obtaining a New Reference Number

- Every time you prepare to pay an installment, the system will generate a new, unique reference number in the format of ENRxxxxxxx.
- As shown in the image above, the reference number for the 1st installment will appear under the **Ref Number** column.

2. Making the Payment

- When making payments online via the respective banking gateways, you **must mandatory use** this newly generated reference number.
- (Please follow the instructions provided in Section 2 of the user guide).

3. Checking Payment Status

- If your payment is successful, it will be clearly indicated as "**Paid**" under the **Status** column next to the respective reference number in the "View Payment" table.

Special Note

- **System Update Delay:** Please note that the system may not update your payment information immediately after you pay your registration or course fees.
- **Check the Portal Later:** In such cases, please wait a short moment and check your Student Portal again.
- **Avoid Double Payment:** Since it may take some time for the payment information to update, **please avoid paying for the same installment twice.**

7. Need Help?

For Assistance:
