# FORWARD

Statistical Handbook on Technical Education 2019 is the 23rd of an annual publication which was first published in 1994. This handbook contains detailed information about location of Colleges of Technology and Technical Colleges, student admissions and enrolment, courses conducted, student performance, staff cadre, expenditure incurred etc. with regard to Technical Education.

I hope this publication will become useful for those who seek data in respect of Technical Education. Suggestions and comments for further improvement of future publications are welcome.

**Director General,

# Section 2 :

## Intake and Enrolment

**T**his section focuses on information on student intake and enrolment of Colleges of Technology/ Technical Colleges for year 2019. These are analyzed college-wise, district-wise, course-wise and industry sector-wise. A year-wise comparison between years 2017, 2018 and 2019 is also included here.

# Section 3 : Student Performance

**T**his section provides information on performance of students of Colleges of Technology/ Technical Colleges. Examination results of students are analyzed against the intake of the courses conducted by the colleges. This section also includes a summarized analysis of performance of courses conducted by colleges. Results published here are only for examinations held & relevant to year 2018 and issued at the time of publishing this book, subjected to change with re-scrutiny.
